Effective 1 March 2026 — Amends Employee Handbook 2026, Section 5

Addendum A: Remote Work Allowance Revision (2026)

This addendum amends Section 5 of the Employee Handbook 2026 (Remote and Hybrid Work) with effect from 1 March 2026.

The monthly remote work internet allowance for approved fully-remote employees is revised from 1,000 INR to 1,200 INR for Grades L1 and L2. For Grade L3 the allowance remains 1,000 INR.

The allowance is payable with monthly payroll upon confirmation of fully-remote status in the HR portal and is subject to statutory deductions where applicable.

All other terms of Section 5 of the Handbook, including the office-attendance requirement of two days per week for employees within 50 km of an office, remain unchanged.
